The Herbicide Option That's Made From Natural Ingredients...

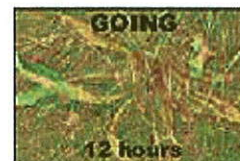

EASY TO USE *EcoClear* IS A SAFE AND EFFECTIVE NATURAL NON-SELECTIVE HERBICIDE

Excellent for Vegetation Management and IPM

Sidewalks	Driveways	Railroad rights-of-way	Power Stations	Industrial Sites	Greenhouses
Storage Areas	Tank Farms	Around Farm Buildings	Fencerows	Vacant Lots	Golf Courses

- *EcoClear* is based on a synergistic blend of acetic and citric acid, ingredients that can be found in vinegar and lemon juice
- *EcoClear's* ingredients are included on the list of acceptable and approved "active ingredients" in the City of Toronto's stringent by-law which came into effect in April, 2004.
- *EcoClear* is the NATURAL choice of municipalities and professional applicators across Canada

- Results visible within hours, not days
- Controls weeds by contact
- Safe to pets once dried
- Controls both annual and perennial weeds
- Biodegradable, does not accumulate in soil
- Does not harm mature tree bark
- Replanting or re-seeding can be done as soon as weeds completely die
- Does not alter soil PH
- Does not pollute groundwater
- Registered and Patented
- Made in Canada

The demand for Natural Solutions is growing... *EcoClear* is the proven solution!
