Biodegradable Water Cleaner

Treatment for ponds, dugouts and
community reservoirs.

Pond BOSS Label

A safe, non-corrosive, biodegradable and easy to use Water Cleaner.

DIRECTIONS:

Treatment for ponds, dugouts and community reservoirs.

1 million Gal (3.78 million L.)

Mix 5 Gal (18.9L) POND BOSS in 15 Gal (56.7L) of water and spray or throw into pond or dugout on windward side. In order for Pond Boss to work faster; distribute evenly around the dugout.

▶ [Printable Page](#)

Ponds or dugouts of 1 million Gal (3.87 million L) or less should be treated spring and fall.

STORAGE:

In order to store dilution's when Pond Boss is diluted with water and stored for more than four days, add 1 oz. (28g) of dilution water to prevent biodegradation of saponin prior to use.

CAUTION: Keep out of reach of children, could be harmful if swallowed. Avoid contact with eyes.

DO NOT FREEZE. Made In Canada
